FINANCIAL AID

How to Apply

It's very important to apply for federal and state financial aid every year, as early as possible. You do not have to wait until you are accepted to college. Use the FAFSA, the Free Application for Federal Student Aid, for both federal and state aid. You can apply online at <http://www.fafsa.ed.gov> where you will be able to review your application status online, as well as sign your application electronically with a PIN.

You must indicate your college choices on the FAFSA: Alliant's FAFSA code is 011117.

Deadlines

The priority deadline to apply for Financial Aid is March 2. (For federal financial aid, file as soon as possible after January 1, in the year that you wish to enroll. You have until midnight June 30 of the following year to postmark your paper application. However, if you also want to receive aid from the State of California, you must turn in your FAFSA and the GPA verification form no later than March 2.)

Eligibility

A student is eligible for financial aid if he or she:

- Is a U.S. citizen, or eligible non-citizen
- Is not in default on a federal student loan or has made satisfactory repayment arrangements
- Does not owe money on a federal student grant or has made satisfactory repayment arrangements
- Is registered with Selective Service (males at least 18 years old)
- Has a valid social security number
- Is enrolled at Alliant (in at least six units per semester, 12 units for some aid such as Perkins) in a degree program
- Is making Satisfactory Academic Progress (SAP)

Processing your Application

Once Alliant receives your FAFSA data electronically from the Department of Education, we calculate a standard budget for you. The standard budget includes full-time tuition (12-16 units) and average living expenses (housing status: on campus, off campus, or with parents).

The Financial Aid Package is compiled based on the results of your Student Aid Report (SAR) or your electronic FAFSA data. It includes:

- Cost of Attendance or your Budget—the estimated amount that it will cost you to attend Alliant during the nine-month enrollment period (2 semesters).
- Expected Family Contribution (EFC calculated by a federal formula) -- the amount you and your family can contribute to your education based on your FAFSA information
- Financial Need -- your eligibility for need-based aid, such as grants, subsidized Federal Loans, Federal Work Study and some scholarships

$$\text{Cost of Attendance} - \text{EFC} = \text{Financial Need}$$

The total financial aid award cannot exceed the cost of attendance.

Notification

Once we have determined your eligibility (Financial Need) and packaged your financial aid, we produce your financial aid award letter. We use an Electronic Award Letter on the web. You will receive an email notifying you that your Award Letter is available.
